

This week's edition of #ThankfulThursday takes us out to the Club Sienna Tennis Courts!

Meet Jan Mauldin, the Association's Head Tennis Professional! Jan is a native of Shawnee, Oklahoma and attended Odessa Junior College.

Jan spends most of her time managing the courts and the pro shop on behalf of the Association. When she's not up at the courts, Jan, admittedly, enjoys relaxing at home! "A steak and a cold one" is her perfect meal.

When asked who her hero or person she admires the most is, she answered pointedly, "The Lord". When asked what she loves most about her job, it was "engaging with the players and the residents"...and that's obvious with all the love and support Jan receives from the Sienna tennis community!

Whatever your skill level, from having never picked up a tennis racquet to seasoned pro, Jan can help guide you! Call her at 281-778-6944 or email her at tennispro@clubsienna.com TODAY!

Jan, we sure are thankful to call you our own. You do a fabulous job here in Sienna.
