

Today's #ThankfulThursday highlight is the owner and head coach of Sienna's own cheerleading squad, Sienna Spirit Cheerleading, Crystal Webster!

Crystal is a native of Spring, where she graduated from Klein Oak High School. She attended the University of Houston where she graduated with a Bachelors in Business Management.

Crystal and her husband, Josh got married in 2007 and moved into our first home in Sienna. They have two children: Parker & Addison.

Crystal says her favorite pastime is reading. She loves to read mystery thriller novels! Her favorite foods are Italian food & seafood.

We asked Crystal who her hero is, and she had this to say: "My mom is my hero. My mom is a person that I admire tremendously. She is courageous, loving, and selfless. She instilled in me at a young age the importance of love, morals, and hard work."

Where is her favorite "spot" in Sienna? "Camp Sienna. I have been able to watch my children participate in different sports at Camp Sienna. I also enjoy riding my bike with my children on the trails in Camp Sienna. The trails are absolutely beautiful!"

We were curious what she loves most about her job, and she proudly told us, "I love watching kids grow and learn new things. It is rewarding as a coach to see the excitement on the child's face when they achieve their goals."

Crystal, we're so thankful to have you here in Sienna, leading the Sienna Spirit!

If you're interested in the Sienna Spirit program, reach out to Crystal at: siennaspirit@hotmail.com!
