

Today's #ThankfulThursday highlight is on our Assistant Tennis Pro, Lito Diano!

Lito is a native of Milwaukee, Wisconsin. He and his wife Margaret have four children (which he proudly states, all of whom have graduated from college!) and he is a proud grandfather of five!

Lito attended University of Wisconsin - Milwaukee. His favorite pastime is going to the gym and all sports. His favorite "restaurant" is Smoothie King! When asked who his hero is, he fondly states that it is his mother.

When asked what venue in Sienna is his favorite, he obviously says, "the tennis courts!" When asked what about his job he loves, he states that it's "teaching kids and adults" that he loves the most and that, "it's very rewarding to see how much kids and adults improve their tennis skills and have fun as they get older in life".

Lito adds that he's very thankful to head tennis pro Jan Mauldin for bringing him on to the tennis instructional staff and giving him the opportunity to teach tennis here in Sienna. Well, Lito, we're very thankful to have you here!
