

This #ThankfulThursday, we meet Bob Jaynes with Yellowstone Landscaping Tree Division, a partner of Sienna's for over 20 years! Yellowstone is one of Sienna Recreation's biggest supporters, annually stepping up and helping promote recreation throughout the Sienna community!

Bob is a native of Ohio but has been a resident of Fort Bend County for the past 42 years. Bob and his wife Jennifer and have been married for 32 years and have 4 children: Katie, Amanda, Jon and Robert Jr., also a Yellowstone employee! Bob's most important job is that of grandfather to 7 beautiful grandchildren. "I love that role," he says.

Some of Bob's favorite past times include being outdoors: fishing, hunting turkey and ducks. He shared, "I also enjoy mowing my own lawn to this day and take enjoyment in washing the wife's car and my truck".

We asked Bob who he most admired, and he proudly said, "The most influential individual in my life was my Dad".

"I came to Yellowstone 25 years ago and have worked in our lawn maintenance, wide area mowing and tree care divisions," Bob shares. "For the past 12 years I have served as the Vice President of the Tree Division. I typically have 55 to 60 tree service workers, 5 business developers, 1 production manager, 1 office manger on our team. My success lays within their hands." Bob ALWAYS gives credit to his team members, a true testament to his leadership style.

We asked Bob what his favorite "spot" in Sienna is and he couldn't settle on just one: "How do I pass on not choosing the amphitheater or Camp Sienna when all the children are out playing on the sports fields?"

"Yellowstone is very grateful Sienna has allowed us to participate in various roles with parks and recreation," Bob shares.

Bob---we're so very thankful for you and all the folks at Yellowstone for your unyielding support of everything we're doing in Sienna Recreation. Without you and partners like you, our department and the programs in it would look very different. So, again, thank you for always having our community near and dear to your heart.
