

This week's edition of #ThankfulThursday introduces us to Tyler Morgan, a middle school teacher and the Athletic Director at Divine Savior Academy. DSA is a MAJOR partner for Sienna Recreation, providing the primary location for athletics programming year-round, special events support and just overall amazing community partners!

Tyler and his wife Mara have three children (Audrey, Esther and Caleb) and call Sienna home. However, Tyler grew up in Southern Minnesota! Tyler attended Martin Luther College (BA) and Concordia University (Med). In his free time, Tyler enjoys hunting, golfing, hiking and just spending time with his family. Favorite food? "Barbeque. You can never go wrong with some brisket and ribs," Tyler says.

When asked who is his hero is, Tyler lovingly replied, "My hero is my father. I grew up admiring him and all the work that he has done".

Tyler's favorite "spots" in Sienna are our pools, where he enjoys going with his family, and our trails, where he says he enjoys taking his dog for walks. When asked what he loves most about his job, he told us that he loves, "being able to interact with the kids each and every day and working with some really awesome people!" How about the best gift he's ever received? "My smoker. That is the gift that keeps on giving".

Tyler, you have given and continue to give so much to our community and we're so very thankful you're here.
