

This #ThankfulThursday, we meet Sienna Recreation Department Hospitality Assistant, Shelley Hylton Smith.

Shelley was born in Jamaica but grew up in Missouri City. Shelley has three children: "I have two awesome adult daughters, Brittney and Kalea, and the best son in the world AJ". Shelley attended the University of Houston and has lived in Sienna for 17 years.

We asked Shelley what her favorite spot is in Sienna, and she told us, "Right here at Sawmill on the patio looking out at the water" and then she told us that the most rewarding part of her job has been, "Watching and being a small part of our residents important moments from weddings to baby showers to graduations...it's nice to know that you contributed in some way to make it memorable for them."

Shelley added, "I've enjoyed raising my kids in Sienna and it's great to see new families getting to do the same!"

We love having you as a part of our team, Shelley! You're such a huge part of making memories for our residents and we're so thankful for you!
