

This #ThankfulThursday, as we meet another amazing person that makes recreating in Sienna so memorable, we meet Sienna's Special Events Coordinator, Shanelle Channell!

Shanelle is a native of Anaheim, California but grew up much of her life right here in Missouri City. She's a graduate of The University of Texas at San Antonio. She and her husband, Kevin, live here in the area, so Shanelle keeps her roots near and dear to her heart!

What are Shanelle's favorite past times? "Anything to do with the beach or water... count me in! Watching Football, Cooking/ trying out new recipes and planning events of course!" she says.

Fun fact: Shanelle has "a deep LOVE for Tacos & Churros - (she) could eat them every day!". Us too, Shanelle...us too. 😊

What is her favorite place to be in Sienna? "My favorite spot in Sienna is the "hill". I grew up going to the hill and watching 4th of July fireworks every year," she fondly recalls.

Shanelle has worked for the Association for about a year and a half now and has already made a huge impact in the community! No doubt, you've attended or witnessed an event or activity that Shanelle has produced!

We were curious as to what has been most rewarding thus far during her time with the Association, and she shared, "The most rewarding thing to date has been developing new programming for residents and seeing them well received and flourish! Especially coming up with events during the mist of a pandemic, which can be tough. It's a great feeling when you decide to keep an event for the following year because of wonderful participation and awesome feedback. I look forward to continuing to grow community events and add some more "fun" to the roster!"

Shanelle, you've been such an amazing addition to our team and we're so thankful you're here. You've brought so much to the community and you'll continue to add to more and more to the list!
