

This Thursday, we're again going to highlight one of our Recreation Department partners as part of our #ThankfulThursday series, focusing on one of the persons who help make Sienna such a fantastic place to live, work & play each week!

Today, we're highlighting Marcus Tavaréz, the Sawmill Lake Fitness Center Director! Marcus is a Missouri City native and graduated from The University of Houston (Go Coogs!).

Although his favorite place to be in Sienna is, in fact, the Sawmill Lake Fitness Center, he admits that his favorite food is Cookies 'N Cream ice cream.

Marcus, we're thankful for you and all that you do to make Sienna so special.
