

For this, our final #ThankfulThursday entry, our recreation department reflects on this day of thanks for all that this community offers its residents, making it such an incredible place to live, work and play.

Recreation Coordinator Hayley Wilson shared, "Each day I am extremely grateful to have an amazing community who will give up their free time to help volunteer for the Recreation Department. The amount of hours the community gives is what I'm truly thankful for." She adds, "Thank you Sienna for making Texas home (Hayley is a California native)!"

Recreation Coordinator Carmen Green shared that she is, "thankful to live & work in such a beautiful, diverse, multicultural community. I am also thankful for a meticulous, creative team that collectively offers a wide variety of leisure programming to reach ALL residents."

Recreation Supervisor Debbie Gallardo shared, ""I am grateful to work in a community with such wonderful residents. I feel thankful every day to be able to provide recreation activities for them and to be a small part of events and activities that bring happiness."

Recreation Director Andy Peal offered the following: "I'm thankful for the amazing facilities---parks, pools, club houses---that residents, my family included, have access to in Sienna. A community like this would have been a dream for me growing up. We're so fortunate to have all of the amazing amenities that we do that allow for so many opportunities for us to play throughout the community."

Enjoy this day with loved ones, Sienna. Today we give thanks...including our thanks for YOU.

Happy Thanksgiving!
