

This week's #ThankfulThursday, as we look at persons who make Sienna such an amazing place to live, work and play, we meet Jennifer "The General" Lee, Ridge Point High School health teacher, assistant volleyball and softball coach...as well as director of the Sienna Spike Girls Volleyball League and Sienna Summer Volleyball Camp series!

Coach Lee and her husband, Dr. Harold Lee, have two sons (Easton and Colt). She is a native of Abilene, TX and attended Texas State University. In her free time (when she has it!), she loves outdoor recreation & fitness and loves to go hunting and her favorite spot here in Sienna is Sawmill.

She also admits---she loves breakfast tacos from Nana's! When asked who her hero is, she lovingly replied, "my hero is my grandmother because she has been through it all and she is a tough as nails woman". The best gift she's ever received? "My boys!" She clarified, "...husband included." ☺

When asked what she loves most about her job, she just gets pumped up. "I love building relationships with the kids in hopes to inspire them to be the best they can. I love the Sienna Spike league because I can help be the start for the girls' love of volleyball and the foundation of basic skills! It's the best of times!"

www.siennarec.com!

Coach Lee---we're so thankful not just to have you in Sienna, but to have you leading so many of our girls in the community.
