

This #ThankfulThursday, we meet Ali Bleasdell, Head Age Group Coach for Sienna Premier Aquatics!

Ali is a 20+ year resident of Sienna, and has been working with SPA for 6 years now! She is the daughter of Cathy and Don Bleasdell. She also shares that her boyfriend's name is Reed Hampton and is ESPECIALLY proud of her dog Lucy (pictured). Ali attended Texas Christian University!

What are Ali's favorite pastimes? "Watching live music and going to the river!" she says.

We asked Ali who her hero is, and she lovingly told us, "my mom". Her favorite "spot" in Sienna? "The Club Sienna Pool."

We asked Ali what has been most rewarding in her role with SPA during her tenure and she said, "I love being able to watch all of our swimmers grow through our program and in our community. They have all become great young leaders and have bright futures ahead."

Ali, we're so thankful to have you in our community helping mold our youth into those outstanding young leaders! You've done such an amazing job these past six years and we're so hopeful to have you leading for many years to come!
