

Today's edition of #ThankfulThursday introduces us to the Association's Community Manager, Lisa Cox!

Lisa has been a resident of Sienna for 23 years and has worked for the Association for 16 of them! She and her husband Jim have four amazing children, two of which grew up in Sienna.

Lisa is a native of Houston (Sharpstown) and graduated from Texas A&M University (Fightin' Texas Aggie Class of 1989! Whoop!) with a degree in Parks & Recreation.

Lisa's favorite past times include traveling with Jim & family and friends, enjoying their backyard and golfing when she has time. When asked who her hero is, she says that her "INCREDIBLE parents...are at the top (of her list), but (her) big sis is also someone who continues to amaze (her) with her passion to help others who are struggling so much in their life."

Her favorite "spot" in Sienna is, simply, her backyard. She also enjoys "early morning walks around the beautiful lake near her house, watching the wildlife and watching the sun rise!" When asked what has been most rewarding in her role with the Association in regards to recreation, she states, "there have been SO many incredible programs and events that I've been lucky to be a part of over the last 15-20 years here in Sienna. I've also had the joy of participating in the creation of so many new recreation programs and leagues that are now nearing 15 years old. And our facilities are TOP NOTCH! The Association staff that I have had the joy to work with are incredibly talented professionals – they continue to amaze me!"

You amaze US, Lisa! We're so thankful you're here in our community!
