

In today's NEW YEAR'S EVE edition of #ThankfulThursday , we meet Drew Graham, the Fitness Director at Brushy Lake Fitness Center! It's a PERFECT selection as you evaluate your New Year's resolutions!

Drew and his wife Jackie have two, two-legged boys (Jaxon and Gage) and one four-legged boy (Buckley). He is a native of Edwardsville, IL and attended Louisiana State University (GEAUX TIGERS!). Drew's favorite past times include artwork and doing anything competitive, he says...and his favorite food? STEAK.

When asked who his heroes are, Drew says pointedly, "my parents and grandparents". His favorite "spot" in Sienna? He loves exploring the outdoors and---of course---Brushy Lake Fitness Center!

When asked what he loves most about his job, Drew says that he loves helping people accomplish things they never before thought possible.

Is rededicating yourself to health and fitness among your New Year's resolutions? Contact Drew at: [drew@risherco.com](mailto:drew@risherco.com) to make it one!

Drew---we're so thankful to have you here in Sienna. You're a fantastic part of our community.
