

This #ThankfulThursday, we introduce you to Amir Sabahi, President of the [Sienna Stallions Youth Football & Cheer](#) program!

Amir is a native of Baton Rouge, LA. He and his wife Carolyn have two children: Camden and Amir, Jr. Amir and Carolyn have been residents of Sienna for 12 years. Amir has a Bachelor of Science in Chemical Engineering from Louisiana State University and a PhD in Organic Chemistry from the University of Utah. Amir is a Research & Development Advisor.

When Amir DOES have some free time, he enjoys golf, enjoying his kids' sports activities and LSU Football! We asked Amir who in his life he admires the most and he was proud to say, "My parents".

What is Amir's favorite place to be in Sienna? "The Sienna sports facilities & Cat Springs subdivision (GREAT neighbors)!" he shares.

In respect to what Amir has found most rewarding as a result of his service with the Stallions, he told us, "I have felt most rewarded by re-integrating the Sienna Stallions into Sienna as an elite recreational football program for youth ages 5-12 years old. Our registration numbers have continuously grown in the last 2 seasons and we anticipate growing the program in the coming years." Additionally, he adds, "Since 2012, I have organized the Albemarle Foundation golf tournament that annually raises over \$250,000 to support educational initiatives and non-profit organizations in the Greater Houston area. The foundation has donated to many local non-profits, including Sienna Crossing Elementary (where my wife is a 5th grade teacher), Elkins High School, Julia F. Thompson, Inc and Sienna Stallions."

Amir: we're so thankful for your dedicated service to the Sienna community, specifically the boys and girls that participate in the Sienna Stallions program. You and your team of volunteers help make Sienna the incredible place to live that it is!
