

It's #ThankfulThursday! Today we meet another person who helps make Sienna such an extraordinary place to live, work & play with spectacular parks & recreation...Carmen Green, the Association's Hospitality Administrator!

Carmen and her husband, Roc, have lived in Sienna since 2004 and have three children (Kiara, Breiana and Ron). Carmen's hometown is Eunice, Louisiana, and she is a graduate of Grambling State University where she earned a degree in Therapeutic Recreation.

Carmen is a fabulous chef and artist. She loves cooking (her favorites are Mexican and Southern Comfort foods), creating on her Cricut, watching movies and...well...getting a nap in from time to time!

When asked who her hero is, she proudly says, "My dad".

Where is her favorite "spot" in Sienna? At home! In her theater room or on her patio! She loves being with her family relaxing!

Carmen, Sienna is so very fortunate to have you helping accentuate our lifestyle here. We're so thankful to have you on our team!
